*CalvertHealth  
and  
Calvert County Government  
Thanks You*

While we operate as separate, independent organizations, CalvertHealth and Calvert County Government, as well as other partners, pull together for our community during times of crisis.

Over the last several months, we have faced unprecedented challenges as COVID-19 impacted the residents of our beloved community. The resources of our hospital were stretched as never before, our workforce faced some of the most challenging days of their careers and our patients fought battles for their lives.

However, occurring at the same time, there was an unprecedented outpouring of support and camaraderie as our local businesses and citizens rallied around our healthcare heroes with donations of personal protective equipment, food and gifts for our team, encouraging signage, notes of kindness and uplifting sentiments, and the ongoing and fierce proclamation from our neighbors declaring “Heroes Work Here” at CalvertHealth.

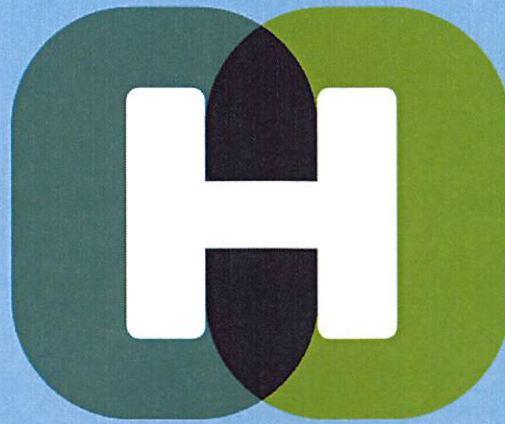

Never before has our community played such a vital role in lifting up the work of our hospital and empowering us to fight the battle of a lifetime for our community members.

Just as our partners at the Calvert County Government, Calvert County Emergency Services, Calvert County Health Department, local fire, rescue and EMS organizations, state and federal government agencies, the Calvert County Chamber of Commerce and so many others have helped us to bring the absolute best and safest care to Calvert County during the COVID-19 outbreak, we want to recognize and honor you for joining the business community providing critical support for our community hospital at this time.

In the enclosed packet you will find a certificate of our appreciation along with a sticker that we hope you display with pride as, together, we celebrate you and the difference you are making in our community.

*Thank you for believing in us, for investing in us and for being a part of a much larger team of organizations and businesses who chose to join CalvertHealth in dedication to our mission of making a difference in every life we touch.*

This business is a  
*Proud Supporter*  
OF *our* COMMUNITY HOSPITAL
